Title: Wedding Services

Author: Franklin

For those who are
interested in a special
service that I offer,
simply follow my
instructions and I will
perform the ceremony for
you. Turn the page for
further information.

So you're interested in a
wedding, eh? Simply clue
me in with the following
key words, and I will
conduct the ceremony for

you. Only one person
needs to say these
words (or you may take
turns). Be sure not to
include any of the words
twice in your wedding
speech, since simply by
saying the word might
confuse me and I will
repeat the phrase
associated with it!

Ready -- the first word.
Alright -- second word
Entwined -- third word.
Shall -- fourth word.
Also -- Fifth Word.
nods -- Sixth word.
smiles -- Seventh.
kiss -- Eighth

If you decide to get
married, just let me
know that you're ready.
